The image contains a grid of 10 rows, each with two hand gestures pointing to a circle. The gestures represent the following numbers:

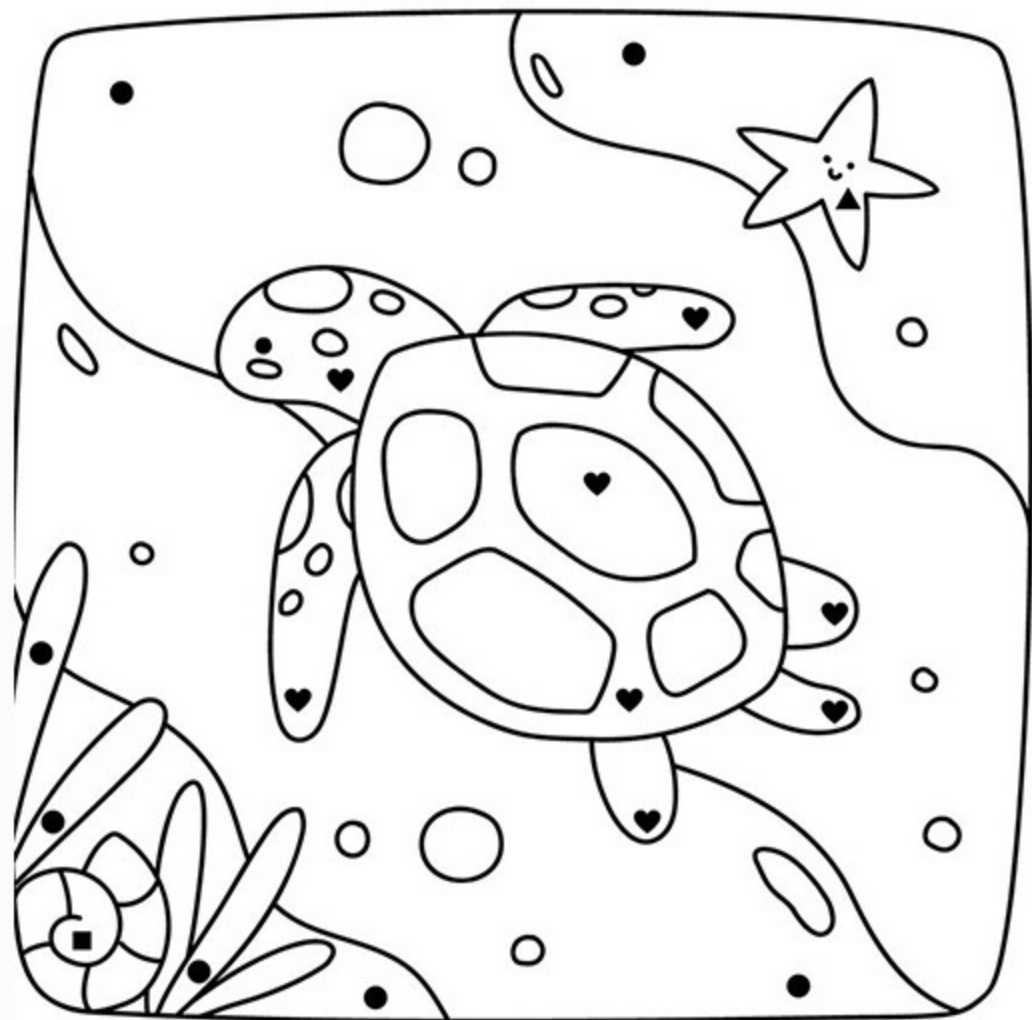

- Row 1: A hand with the thumb tucked and the index, middle, and ring fingers extended (3); an open hand with the index finger pointing up (1).
- Row 2: A hand with the index and middle fingers extended (2); an open hand with the index finger pointing up (1).
- Row 3: A hand with the index, middle, and ring fingers extended (3); an open hand with the index and middle fingers extended (2).
- Row 4: A hand with the index, middle, and ring fingers extended (3); an open hand with the index, middle, and ring fingers extended (3).
- Row 5: A hand with the index, middle, and ring fingers extended (3); an open hand with the index, middle, and ring fingers extended (3).
- Row 6: A hand with the index, middle, and ring fingers extended (3); an open hand with the index, middle, and ring fingers extended (3).
- Row 7: A hand with the index, middle, and ring fingers extended (3); an open hand with the index, middle, and ring fingers extended (3).
- Row 8: A hand with the index, middle, and ring fingers extended (3); an open hand with the index, middle, and ring fingers extended (3).
- Row 9: A hand with the index, middle, and ring fingers extended (3); an open hand with the index, middle, and ring fingers extended (3).
- Row 10: A hand with the index, middle, and ring fingers extended (3); an open hand with the index, middle, and ring fingers extended (3).
